THE MENDING PROJECT

## Some Men Are Repairing The Harm

**T**his project acknowledges men's unique opportunity and collective responsibility to end men's violence. To provide real and lasting support, men in the community are donating time and money to help alleviate the suffering that often remains after the violence has occurred.

This organization has pledged **free or reduced goods and/or services for women and children harmed by sexual and domestic violence.** For more information, please speak with the manager.

The Mending Project is a program of the Minnesota Men's Action Network: Alliance to Prevent Sexual and Domestic Violence.
